## Milly's Testimony

**"How Milly Prayed And Attracted A Brand New BMW 320i Into Her Garage ... Plus A Dream Job To Go With It ... All Within 90 Days"**

**And How You Can Do The Same ...**

She sent the first email 2 months ago.

No response.

Then her sister sent her the 40 prayer bullets that had worked wonders in her life.

She went at it seriously ... and reaped a huge payoff

Her emails tell the story:

**BEFORE:**  
**Received - Feb. 13, 2006 at 2:57 AM**

Dear Elisha

**My sister introduced me to your site** I would really like you to help me on how to use your prayer points.

I have just been informed by the Reciever of Revenue that I have to pay back R15000.00 towards Taxes. I am also in so much debt I cannot afford this. **I also need to buy a new car, my old one has died on me.** I have

is a BMW 321i but I am waiting too long to get a response from the Bank, I have a feeling it will not be approved as I am listed on the Credit Bureau, although the guy at the bank, his name is xxxx assured me that he would approve it. XXXX said he could assist me, but I'm not so sure.

I am also holding two jobs at the moment, that of a Training Manager and a Recruitment Manager. My company is using me to do two jobs but are paying me a salary for one only. I know I am worth much more than I am getting here, the market related salary for this two jobs for Recruitment is R15000.00 pm + about R30 000.00pm for the other one. I am only earning about half of this. I know that **I am being underpaid and it is really frustrating.** I need to start praying for these obstacles in my life Elisha and I believe your prayer points really work. ***Your prayer points blessed my sister with a new car. A double salary increase and a promotion in less than 1 month.*** Please help me.

Thank you

-- Milly B

**Just 2 months later ...**

**AFTER:  
Received May 9, 2006 at 10:02 AM**

Dear Elisha

**About two months ago I wrote to you and told you that I needed a new car and a new job.** I understand that you are very busy but my sister Abigail sent me the **40 Prayer Points to attract anything in your life** and told me to pray the 40 prayer points. 2 months ago *I started praying the 40 prayer points to attract a New BMW320i.*

ways of praying and also to share my testimonies with you.

Only two months ago I started your prayer points and **within the 3rd month I received my car.** **3 weeks of praying for my Dream Job and Today I received my letter of appointment**

**I now have a new BMW 320i and my Dream Job** of R25,000.00per month + 1% commission off all the sales people and consultants monthly package. Praise be to God he is so good. I thank you for showing me how to **pray to God for success, and I thank God the Almighty for answering my prayers.** You are an answer to my prayers. I have been praying to God to give me a spiritual mentor. I talked to a lot of people including pastors who I thought would help. One even thought I was demonic.

God send "YOU" Elisha - my mentor through my sister. Praise be to God.

**Thank you so much your prayer point really works.** I wish I had found you sooner.

God bless you.

Your sister in Christ

- Milly B, S/Africa

## SECTION 2

### The Secret

This is the **OTHER** secret of success that nobody wants to talk about. It separates the eagles from the “chickens.” It marks the dividing line between those who really “know” their God as Jehovah Jireh (the doers) and those who only talk about knowing God (the talkers) – and what a difference!

Most Christians you know do not even have a clue this kind of prayer exists. They have NEVER handled it. No one has ever taught them. And that’s why you see so much poverty among otherwise wonderful, God fearing believers everywhere you turn.

It is also a very delicate prayer to pray. There are hidden “prosperity triggers” in each prayer point, which only few can decipher. These hidden triggers are just what the angels of prosperity use as their “guideposts” to ***bring everything you need when you ask God for certain things in prayer.***

**BE WARNED:** one false move in a prayer campaign of this nature can make it dive bomb faster than a lead balloon. My greatest concern is witnessing people attempting to pray this prayer without laying the necessary foundation ... and end up with another enormous frustrating experience.

***I don’t want that to happen to you.***

That is why I’ve made some effort to plug those of you who have been reading my emails into the mindset required to make this prayer work...

**Remember the prayer points on FOUNDATION  
that you just received recently?**

That will help you to avoid another embarrassing experience of believing God for something and not laying the proper foundation to RECEIVE.

I decided to give you, my readers, this ***closely-guarded prayer bullet*** AGAIN because people from all over the world were pleading with me to hold their hands and show them the way... the right way.

Here's the way things are set up:

There are **3 parts to this prayer.**

**Parts I and 2** – are to be found in my ebook “Prayer Cookbook for Busy People”

**Part 3** – is what you have in your hands here ... this is the one Milly just prayed and attracted a brand new BMW into her garage, not to mention her new dream job!

Parts 1 and 2 **lay the solid foundation needed for this prayer to work**, while this part 3 zeroes in on the specifics.

***You can use it to attract –***

- *A new car*
- ***A new home***
- *A dream job*
- ***A new business***
- *Market hunger for your products*
- ***Profit into your business***
- *New business partners*
- ***Funds into your business***
- *etc*

In the 10 years since I "discovered" these prayers, I have used them to attract all of the above and much, much more into my life.

**Now, it's your turn ...**

Active users of my "Prayer Cookbook for Busy People" are *already a step ahead*. Apart from having the parts 1 and 2 of the prayers in their hands already, they are getting **1,000 times more value** than they realized when they first made their purchase.

That's because they have access to a confidential email address where they are being mentored step by step from start to finish until what they desired is physically in their hands.

They also receive specially timed emails from me ... these are very PRIVATE emails and no one else is allowed access to them if they are not using the ebook...

In these very private emails **I analyze their dream life**, in order to decode the hidden pieces of information that *God plants in our dreams* from time to time.

And yes, this type of "spiritual intelligence" can make the difference between success and failure in life.

- **Ask king Solomon, the richest and wisest man who ever lived.**

Or Joseph who rose from slave boy to become prime minister of Egypt.

- **Or Joseph, the earthly father of Jesus.**
- Or the great apostle Paul.
- Or even Christopher Columbus, the man who discovered the New World (America).

Columbus heard a voice in his dream saying to him:

*"God will give you the keys of the gates to the ocean, which are enclosed in strong chains."*

I'm sure they never told you that in your high school History lessons!

Surprised? You don't have to be.

**God Himself said He will speak with us in dreams and visions.**

Why?

Because often times, God in His faithfulness reveals to folks the solution to their problems in dreams. **These dreams MUST be decoded** and prayer points created (*backed up by hit-the-nail-on-the-head scriptures*) for serious things to happen.

..

I send these emails to make sure that everyone **DOES THE WORK** and **sees amazing results.**

However, when I notice that someone is not ready to do what it takes to receive their breakthroughs, I quietly ban them from my list ... and they simply discover that no more emails are coming to them ...

You see, I am committed to building success stories from these messages, such as the ones you read here every week.

These teachings have already changed several people's lives and I desire to help change thousands more.

**FOR JESUS!**

I am sure many people thought they would just buy my ebook and that would be that. Nope, it's not that easy. They have invested in ME and now I am investing in THEM.

**It is now my JOB to help them succeed,** like our Good Girl Milly here.

And this is all by the grace of GOD. He supplies what is needed to make this work.

I hope you use this prayer bullet... **to attract whatever it is you desire** from God. It is my earnest prayer and hope that it will inspire you to rise above the human level of scarcity and limitation, and soar to the true realm of abundant life... in Christ Jesus.

***Always remember... You can do ALL things through Christ who strengthens you (Phil 4:13).***

Now to the prayers....

## SECTION 3

### The Prayers

#### Instructions

- 1 Sit comfortably or walk about ... **DON'T** kneel.
- 2 **Focus your attention on the Lord Jesus Christ.**
- 3 Avoid distractions... if they come don't concentrate on them.
- 4 **Spend a few minutes in praises to the Lord.**
- 5 Confess any known sin to the Lord, one by one and ask for forgiveness one by one.
- 6 **Ask the Lord to bring to your memory** the legal ground or the open doors that forces of spiritual wickedness are using to gain entrance into your life.
- 7 Enter into this period with aggressive prayer. **ALL prayer points are to be prayed repeatedly**, with violent faith, and with determined aggression.

*(Please Note: If you want to see quick and dramatic results, add fasting to your prayers – unless you are medically unable to fast... and pray at the **MIDNIGHT HOUR**)*
